

Table tops instead of paint or stain.
Can also be used as flooring in your tiny house

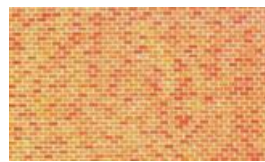

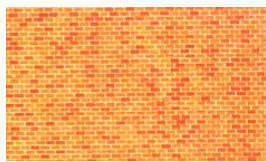

Self-healing cutting mat.
I glued this to a piece of cardstock,
trim if you think it is to big

Notebook and magazine covers, fold in half. Add a couple of "pages" of paper, trim and set on desk.

Variety of papers, cut and use as wallpaper, flooring
supplies ect.

Stone and brick to cut
and use

Variety of wallpapers to start or finish the tiny house
